## Inglese

**Tower Bridge** is the best-known of the 24 bridges crossing the Thames. It can be lifted to permit the passage of large ships. It takes its name from the Tower, an ancient castle where the Crown Jewels are kept.

A handwritten signature in black ink, consisting of several stylized, overlapping loops and strokes, located in the bottom right corner of the 'Inglese' box.

## PC

**Il candidato dopo aver aperto il file “PROVA” trasformi tutto il testo in maiuscolo**
